### **Night Events**

All campers are welcome to take part in evening and night activities regardless of day camp or sleepover status.

### **Morning Meeting**

Find your way to the Great Room every morning after breakfast and before Core Classes to hear the day's announcements. Be in the know!

### **Recording with Your Heroes**

Our camp instructors will be available to coach and then record a song/tune with any campers who choose to sign up for the recording experience. You may sign up on Friday at any time for the available slots. You can do a duet with the instructor or get a group of campers together – however you want to do it! You will have scheduled time to connect with your instructor to get an arrangement together and rehearse. If you ask around amongst the other instructors or your camp directors, you might have the option of additional rhythm guitar, fiddle, or vocals on your recording. On the day of the recording, all the campers will gather in the studio (Andy's House) for a briefing on the recording process and then each of the groups will record their song – each group can take a couple of passes at the recording so there's no need to be nervous. Before and after the recording time, all instructors will be selling their incredible recordings and instructional materials up in the Great Room. Don't miss that!
